## INDEPENDENT AUDITORS' REPORT

To the Members of Polycon International Limited

### REPORT ON THE STANDALONE INDIAN ACCOUNTING STANDARDS (IND AS) FINANCIAL STATEMENTS

We have audited the accompanying standalone Ind AS financial statements of Polycon International Ltd. ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March, 2018, the statement of profit and loss, the cash flow statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE IND AS FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rule 2015 and amendments thereof.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the order issued under section 143(11) of the Act. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone Ind AS financial statements. The procedures selected depend

on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) Fixed assets were physically verified by the management during the year in accordance with a planned programme of verifying all of them once in three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its Assets. No material discrepancies were noticed on such verification.
- (c) Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to information and explanations given by the management, the title deeds of immovable

properties included in property, plant and equipment are held in the name of the Company.

- (ii) The management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies were noticed on such physical verification.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to Companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii)(a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
- (iv) According to the information and explanations given to us, the Company has not made any investments under Section 186 of the Companies act, 2013. There are no loans, guarantees, and securities granted in respect of which provisions of section 185 and 186 of the Companies Act, 2013 are applicable and hence not commented upon.
- (v) The Company has not accepted any deposits from the public.
- (vi) We have broadly reviewed the books of account maintained by the Company in respect of products where, pursuant to the rules made by the Central Government of India, the maintenance of cost records has been specified under sub-section(1) of Section 148 of the Act, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (vii) (a) The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including Provident fund, Employees State Insurance, Income-tax, Sales-tax, Service Tax, customs Duty, Excise Duty, Current Value Added Tax, Current Sales tax, Cess and other material statutory dues applicable to it.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of Provident fund, Employees State Insurance, Income-tax, Sales-tax, Service Tax, customs Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues were

outstanding, at the year end, for a period of more than six months from the date they became payable.

in the notes to the financial statements, as required by the applicable accounting standards.

(viii) Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of dues to banks. The Company did not have any outstanding dues in respect of a financial institution or to government during the year and there were no outstanding debentures.

(xiv) According to the information and explanations given to us and on an overall examination of the balance sheet, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence not commented upon.

(ix) Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to information and explanations given by the management, the Company has not raised any money by way of initial public offer / further public offer / debt instruments hence, reporting under clause (ix) is not applicable to the Company and hence not commented upon.

**TO THE INDEPENDENT AUDITOR'S REPORT of even date on the Standalone Ind AS Financial Statements of Polycon International Limited**  
Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

**To the Members of Polycon International Limited**  
We have audited the internal financial controls over financial reporting of Polycon International Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the Standalone Ind As financial statements of the Company for the year ended on that date.

(xii) In our opinion, the Company is not a nidhi company. therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon.

**MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

(xiii) Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to information and explanations given by the management, transactions with the Related parties are in compliance with section 177 and 188 of Companies Act, 2013, wherever applicable, and the details have been disclosed

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued

by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **AUDITOR'S RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

#### **MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **OPINION**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### **EXPLANATORY PARAGRAPH**

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the standalone Ind AS financial statements of Company, which comprise the Balance Sheet as at March 31, 2018, and the related Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, and our report dated May 30, 2018 expressed an unqualified opinion thereon.

2.1.3 The reconciliation of effects of the transition from Indian GAAP on the equity as at April 1, 2016 and March 31, 2017 and on the total comprehensive income for the year ended March 31, 2017 are disclosed in Notes to these financial statements. The financial statements have been prepared considering all IND AS as notified by MCA till the reporting date i.e. March 31, 2018. The standalone financial statements provide comparative information in respect of the previous year. In addition, the company presents its Balance Sheet as at the beginning of the previous year, which is the transition date to IND AS. i.e. April 1, 2016.

2.1.4 The significant accounting policies used in preparing the financial statements are set out in Notes to the Standalone Financial Statements.

2.1.5 The preparation of the financial statements requires management to make estimates, judgements and assumptions. Actual results could vary from these estimates. The estimates, judgements and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years (refer notes on critical accounting estimates, assumptions and judgements). The management believes that the estimates used in preparation of the financial statements are prudent and reasonable.

2.1.6 Amounts in these financial statements have, unless otherwise indicated, have been rounded off to 'rupees in lakhs' upto two decimal points.

**2.2 Statement of Compliance**

The financial statements comprising of the Balance Sheet, Statement of Profit and Loss, Statement of changes in equity, Statement of Cash Flow together with notes comprising of a summary of Significant Accounting Policies and Other Explanatory Information for the year ended 31st March 2018 and comparative information in respect of the preceding period and Balance Sheet as on transition date, i.e. 1st April 2016 have been prepared in accordance with IND AS as notified and duly approved by the Board of Directors, along with proper explanation for material departures.

**2.3 ACCOUNTING POLICIES**
**2.3.1 Basis of Measurement**

The standalone financial statements have been prepared on accrual basis and under the historical cost convention except following which have been measured at fair value:

- a. Financial assets and liabilities except those carried at amortised cost
- b. Defined benefit plans – Plan assets measured at fair value

The standalone financial statements are presented in Indian Rupees, which is the Company's functional and presentation currency.

**2.3.2 Current versus non-current classification**

The Company presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

**An asset is classified as current when it is :**

- (a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- (b) Held primarily for the purpose of trading,
- (c) Expected to be realised within twelve months after the reporting period, or
- (d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current

**A liability is classified as current when it is:**

- (a) Expected to be settled in normal operating cycle,
- (b) Due to be settled within twelve months after the reporting period, or
- (c) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition

of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

### 2.3.3 Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

**Raw Materials :** Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out basis.

**Finished Goods and Work in Progress :** Cost includes cost of direct materials and labour and a proportion of fixed manufacturing overheads based on the normal operating capacity. Cost is determined on first in first out basis.

**Traded Goods :** Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

### 2.3.4 Statement of cash flows

Cash flows are reported using the Indirect method as prescribed in IND AS 7 'Statement of Cash flows', where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expense associated with investing or financial cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

### 2.3.5 Revenue recognition and other income

#### a Revenue on sale of products

- The Company recognise revenues on accrual basis and measured it at the fair value of the consideration received or receivable, net of discounts, volume rebates and GST. Revenue is shown inclusive of excise duty (for the first quarter only) since excise duty is liability of the manufacturer which forms part of the cost of production, irrespective of whether the goods are sold or not.

- Revenue is recognized when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably.

- No significant financing component exists in the sales.

#### Other income

##### a Interest

- Interest income is accrued on a time basis, by

reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

### 2.3.6 Property, Plant and Equipment

"Property, plant and equipment are tangible items that:“(a) are held for use in the production or supply of goods or services, for rental to others, or for administrative purposes; and“(b) are expected to be used during more than one period.”“

Items such as spare parts, stand-by equipment and servicing equipment are classified as inventory since they do not meet the definition of PPE.

**Initial recognition :** The initial cost of property, plant and equipment comprises its purchase price, including non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located.

#### Subsequent expenses and recognition :

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized. Subsequently Property, Plant and Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any.

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss on the date of disposal or retirement.

**Depreciation :** Property, Plant and Equipments except lease hold land is depreciated on Written Down Method in the manner prescribed in Schedule II to the Companies Act, 2013.

**Financial Land Lease :** Company has taken certain lands on financial lease. The amount of lease has been amortised over the period of lease.

**Component accounting :** When parts of an item of property, plant and equipment have different useful life, they are accounted for as separate items (Major components) and are depreciated over the useful life respectively.

**Projects under which assets are not ready for their intended use are disclosed under Capital Work-in-progress.**

### 2.3.7 Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest

with the lessor are recognised as operating leases.

Lease hold land have been recognized as finance lease as per IND -As 17 (Leases) and therefore have been classified under the head of property ,plant and equipment and have been ammortised on the basis of remaining life of the land on straight-line basis.

Rental expense from operating leases is generally recognised on a straight-line basis over the relevant lease term other than where the rentals are structured solely to increase in line with expected general inflation to compensate for the increase in lessor's expected inflationary cost, such increase is recognised in the year in which such benefits accrue. In the event that lease premiums are paid to enter into operating leases, such premiums are recognised as a prepaid expenditure and amortised over the period of lease.

### 2.3.8 Employee benefit expenses

#### a. Short - term Employee Benefits:-

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognised in the period in which the employee renders the related services.

The Company recognises the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability after deducting any amount already paid.

Bonus and Leave encashment expenses are paid in the year in which they are incurred. Hence, they are classified as short term benefits.

#### b. Post-employment Benefits:-

**(a) Defined Contribution Plan :** Contribution to PF and ESI is recognised as an expense in the Statement of Profit & Loss as it is incurred. There are no other obligations other than the contribution payable to the respective trust. Eligible employees receive benefits from a provident fund which is a defined contribution plan. Both the eligible employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary.

**(b) Defined Benefit Plans :** Retirement benefits in the form of gratuity is determined on the basis of an actuarial valuation using the projected unit credit method as at Balance Sheet date.

### 2.3.9 Borrowing Cost

Borrowing cost that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying assets is one that takes necessarily substantial period of time to get ready for its intended use. All other borrowing cost are charged to revenue.

### 2.3.10 Earnings per share

- Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of shares outstanding during the year.

- Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year, except where the result would be anti-dilutive.

### 2.3.11 Impairment of assets

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset exceeds its recoverable amount (i.e. the higher of the fair value less cost to sell and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. Any impairment gain loss is transferred to profit and loss.

### 2.3.12 Provisions, Contingent Liabilities and Contingent Assets

#### a Provisions

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation (legal or constructive) as a result of past events and it is probable that there will be an outflow of resources.

- If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate.

- Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

#### b Contingencies

- Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflowof resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liabilities is disclosed in the Notes to the Financial Statements.

- Contingent assets are not recognised in the books of the accounts but are disclosed in the notes. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset and the corresponding income is booked in the Statement of Profit and Loss.

### 2.3.13 Taxation

- Income tax expense represents the sum of Current Tax and Deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in Equity or Other comprehensive income, in such cases the tax is also recognised directly in equity or in other comprehensive income.

- Current tax provision is computed for Income

calculated after considering allowances and exemptions under the provisions of the Income Tax Act 1961. Current tax assets and current tax liabilities are off set and presented as net.

- Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net.

#### 2.3.14 Cash and cash equivalents

Cash and cash equivalents include cash in hand and at bank, deposits held at call with banks.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consists of cash and short term deposits, having maturity less than 3 months.

#### 2.3.15 Financial instruments – initial recognition, subsequent measurement and impairment

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

##### a Financial Assets

- Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on the judgment of the management for managing those financial assets and the assets' contractual cash flow characteristics.
- Subsequent measurements of financial assets are dependent on initial categorisation. For impairment purposes, financial assets are assessed individually.

##### De-recognition of financial Asset

A financial asset is primarily derecognised (i.e. removed from the balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset. When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

##### Impairment of financial assets (other than fair value)

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance

##### Trade receivables :

- A receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less expected credit loss if any.
- Impairment is made for the expected credit losses. The estimated impairment losses are presented as a deduction from the value of trade receivables and the impairment losses are recognised in the Statement of Profit and Loss under "Other expenses".
- Subsequent changes in assessment of impairment are recognised in ECL and the change in impairment losses are recognised in the Statement of Profit and Loss under "Other Expenses".
- Individual receivables which are known to be uncollectible are written off by reducing the carrying amount of trade receivables and the amount of the loss is recognised in the Statement of Profit and Loss under "Other Expenses".
- Subsequent recoveries of amounts previously written off are credited to "Other Income".

##### Investments in Equity Instruments

- Investments in Equity Instruments have been valued at their fair values through Profit and Loss, as on the closing date. The fair value has been taken from the stock exchange where the shares are listed. Investments have also been made in NSC deposits, which have been carried at their book values.

##### b Financial liabilities

At initial recognition, all financial liabilities other than those valued at fair value through profit and loss are recognised at fair value less transaction costs that are directly related to the issue of financial liability. Transaction costs of financial liability carried at fair value through profit or loss are expensed in profit or loss.

##### Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss.

##### Financial liabilities measured at amortised cost

After initial recognition, interest free Security Deposits and other financial liabilities are valued at Amortised

cost using Effective Interest Rate method (EIR Method). The EIR amortisation is included in finance costs in the Statement of Profit and Loss. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

#### **Trade and other payables**

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

#### **De-recognition of financial liability**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid is recognised in profit or loss as "Other Income" or "Finance Expense".

#### **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously

#### **2.3.16 Intangible assets**

Intangible assets have been shown at cost, less accumulated amortisation and impairments, if any.

#### **2.3.17 Segment Reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Company is principally engaged in the business of manufacture and sale of pets and other Plastic Products and there are no other reportable segments.

#### **2.4 CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS**

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectation of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events that existed as at the reporting date, or that which

occurred after the date but provide additional evidence about the conditions existing at the reporting date.

#### **a Property, plant and equipment**

- Management assesses the remaining useful lives and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual value are reasonable.

#### **b Income taxes**

- Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities.

- The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

#### **c Contingencies**

- Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

#### **d Impairment of accounts receivable and advances**

- Trade receivables carry interest and are stated at their fair value as reduced by appropriate allowances for expected credit losses. Individual trade receivables are written off when management deems them not to be collectible. Impairment is recognised for the expected credit losses.

#### **e Employee benefit expenses**

- Actuarial valuation for gratuity liability of the Company has been done by an independent actuarial valuer on the basis of data provided by the management and assumptions used by the actuary. The data so provided and the assumptions used have been disclosed in the notes to accounts.

#### **f Discounting of Security deposit, and other long term liabilities**

- For majority of the security deposits received, the timing of outflow, as mentioned in the underlying contracts, is not substantially long enough to discount. The treatment would not provide any meaningful information and would have no material impact on the financial statements.

#### **g Government Grants**

Grants from the government are recognized at fair value where there is reasonable assurance that the grant will be received and the company will comply with all attached conditions. Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

**(i) Fair Value of Financial Assets and Liabilities**

- The carrying amounts of trade receivables, trade payables, capital creditors, cash and cash equivalents, other bank balances, other financial assets, short term borrowings and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.
- Majorly the security deposits are reedemable on demand and hence the fair values of security deposits are approximately equivalent to the carrying amount.
- There is no material difference between carrying amount and fair value of non-current borrowings as on March 31, 2018; March 31, 2017 and April 1, 2016.

**38 FINANCIAL RISK MANAGEMENT**

The Company's activities expose it to a variety of financial risks i.e. Market Risk, Liquidity Risk and Credit Risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

**A. Market risk**
**Foreign Currency Risk :**

There are no currency rate risk on the Company since all the transactions are done in the functional currency (INR) and the Company has not taken any loans or borrowings from the market in foreign currency.

**Interest Rate Risk :**

The exposure of the Company's borrowing to interest rate charges at the end of the reporting period is on the amount of outstanding balance of cash credit facilities from State Bank Of India. The interest rates are linked to 1 year MCLR and are changed at the time of annual renewal. The rates will either increase or decrease depending on changes in RBI's and Bank's policies.

**Price Risk :**

The Company faces price risk due to change in price of Raw Materials from time to time. To shield itself from them, all sales contracts and orders are variable to

changes in prices from time to time. They are based on the price of raw materials at the beginning of each month or weighted average price of last 3 months.

**B. Liquidity Risk**

- Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding to meet obligations when due. Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash requirements.

**C. Credit risk**

- Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The carrying amounts of financial assets represent the maximum credit risk exposure.
- Assets are written off when there is no reasonable expectation of recovery. The Company write offs debtors when they fail to make contractual payment greater than a reasonable limit post due.
- The Company considers the probability of default upon

initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forward-looking information.

#### Trade and Other Receivables

Credit risk refers to the risk of default on its obligation by the counter party resulting in financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs.1202.22 Lakhs, Rs. 1076.92 Lakhs and Rs. 956.77 Lakhs as at March 31, 2018, March 31, 2017 and April 1, 2016, respectively. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry. The Company monitors its exposure to credit risk on an ongoing basis at various levels. Outstanding customer receivables are regularly monitored.

Due to the geographical spread and the diversity of the Company's customers, the Company is not subject to any significant concentration of credit risks at balance sheet date.

#### Cash and Cash Equivalents and Bank Deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits accounts in different banks across the country.

#### Cash Credit Facilities

#### 42 FAIR VALUE HEIRARCHY

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below :

- Quoted prices/published NAV (unadjusted) in active markets for identical assets or liabilities (level 1). It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date.
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2). It includes fair value of the financial

instruments that are not traded in an active market (for example, interest free security deposits) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2.

- c Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

**43 EXEMPTIONS CLAIMED**

"These are the Company's first financial statements prepared in accordance with Ind AS.

The Company has adopted Indian Accounting Standards (Ind AS) notified by the Ministry of Corporate Affairs with effect from 1st April, 2016, with a transition date of 1st April, 2016.

Ind AS 101-First-time Adoption of Indian Accounting Standards requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements which is for the year ended 31st March, 2018 for the company, be applied retrospectively and consistently for all financial years presented.

Consequently, in preparing these Ind AS financial statements, the Company has availed certain exemptions and complied with the mandatory exceptions provided in Ind AS 101, as explained below. The resulting difference in the carrying values of the assets and liabilities as at the transition date between the Ind AS and Previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity).

IND AS 101 "First-time adoption of Indian Accounting Standards" allows first time adopters certain exemptions from the retrospective application of certain IND AS, effective for April 1, 2016 opening balance sheet.

**A. Following exemptions have been availed from other IND AS as per Appendix D of IND AS 101:**

- a Deemed cost for Property, Plant and Equipment (PPE) – Since there is no change in its functional currency on the date of transition to Ind ASs, the Company has elected to continue with the carrying value for all of its property, plant and equipment as recognised in the Standalone financial statements as at the date of transition to Ind ASs, measured as per the previous GAAP and use that as its deemed cost as at the date of transition.

**B Applicable Mandatory Exceptions**

- (a) An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies). Ind AS estimates as at 1 April 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP.
- (b) Classification and measurement of financial assets As required under Ind AS 101 the company has assessed the classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

**C. Transition to Ind AS - Reconciliations**

The following reconciliations provide a quantification of the effect of significant differences arising from the transition from previous GAAP to Ind AS as required under Ind AS 101:

- I. Reconciliation of Balance sheet as at April 1, 2016 (Transition Date)
- II. A. Reconciliation of Balance sheet as at March 31, 2017  
B. Reconciliation of Total Comprehensive Income for the year ended March 31, 2017
- III. Reconciliation of Equity as at April 1, 2016 and as at March 31, 2017

**44.2 Notes to reconciliation**

The following explains the material adjustments made while transition from previous accounting standards to IND-AS.

**A Property, Plant and Equipment**
**Amortization of lease hold land**

Under previous GAAP, Leasehold land was recorded and classified as fixed assets and not amortised. As per IND AS 17, leases, the leasehold land has been amortised over the period of lease. The decrease in the value of lease hold land was Rs 11.22 lakhs and the corresponding decrease in the leasehold land for the financial year 16-17 has been Rs7.58 lakhs (as at April 1, 2016 was Rs.3.63 Lakh) .

**B Financial Instruments**
**(i) Fair Valuation of Equity Investments**

Under previous GAAP, investments in equity shares and NSC were shown at cost. As per IND AS 109, the same have been fair valued using their rates prevailing in the stock exchange. The net effect of change is decrease in other equity by .10 lakhs as at March 31, 2017 ( 0.24 lakhs as at April 1, 2016)

**(ii) Amortization of transaction fees**

Under previous GAAP, processing fees related to borrowings were transferred in statement of profit and loss in the year of loan taken. As per Ind AS 109, borrowings are required to be recognised at amortised cost using effective interest rate method. The net effect of change is increase in other non current assets by 0.34 Lakhs and increase in other current assets by 0.09 lakhs as at March 31, 2017 and increase in total equity by .44 lakhs as at March 31, 2017.

**C Other Equity**

Retained Earnings as at April 1, 2016 and 31st March 2017 has been adjusted consequent to the above Ind As transition adjustment.

**D. Deferred Tax**

The Company has accounted for deferred tax on the various adjustments between Indian GAAP and IND AS at their effective tax rate. The net effect of change is increase in deferred tax liability by 0.11 lakhs as at March 31, 2017.

**E. Revenue**

As per the Indian GAAP, revenue from sale of products was presented as net of excise duty. Under IND AS, taxes collected by the entity on its own account are required to be included in the revenue. To comply with this requirement the company has shown revenue inclusive of excise duty since the excise duty flows to the entity on its own account. Due to this change the total revenue of the entity has been increase by 494.95 lakhs in F.Y. 2016-17 and cost of material consumption are also increased by same amount.
